

Chow Down for Spirito!

Listed below are several Eat & Earn opportunities to enjoy a meal or snack at a designated restaurant and a pre-determined percentage (10%-30%) of your bill will be donated to Spirito! This is a great way to support local businesses and Spirito! at the same time! Flyers are available online – <http://www.spiritosingers.org/ways-to-support-spirito/>, at least one week prior to each event date, and distributed to families/singers through weekly email reminders and mentioned to singers at rehearsals. Share with your friends, family and neighbors! The more that Eat... the more Spirito! Earns!
