**Keep saving those coins for our Save Our Singing Coin Collection event.** 

You can make a gift to help Spirito and be of assistance with the coin shortage our country is experiencing.

In the next few weeks we'll give you info on locations where you can turn in your coins or schedule to have them picked up during the week of October 5th.

Spirito will deposit the coins at our bank as a donation to our program. Our bank can then circulate the coins to their businesses to help with the national coin shortage.
